Vann P  
Wille

Vann has had many goals for his life. From being an astronaut to a professional baseball player. Vann is open to trying new activities and games. Vann has taken on karate, skateboarding, po-going, scootering, swimming, and baseball. Vann was enjoying karate however, his dojo was shut down during the lockdown and he hasn't been able to get back. Vann has a personal goal for himself this season to improve his hitting and would be thrilled to hit an in-the-park homerun. He is competitive and takes it personally when he falls short. This is his first season

playing baseball and has taken to it very easily. He plays everyday, but it's hard having a sister who is a dancer who doesn't want to play catch. Vann loves the family dogs, Lucy and Duke. They are his responsibility to feed and clean up after. They adore him in return. Vann is a fantastic student. He has been student of the month several times and received the honor roll during lockdown.

My name is Alessandra and I just turned 6 years old. My dojo is Mongoose Martial Arts and all of my family goes there. I have been training since I was 3 years old. I practice everyday to the best I can be. I love to train with my best friends at the dojo and my friends from other schools. One day I want to be on Team Gipsy like my big sister, Audri, and my cousin, Alexis. I have 2 TKO state titles and I'm working on getting more. I have also won 2021 -

5 and under mixed sparring division and traditional forms at Diamond Nationals and Ozark Nationals. My favorite tournament is the Mongoose Open because it's our family tournament.

This is my third year in Muay Thai.

Prior to that, from 4 years old she was engaged in acrobatics.

I chose Muay Thai because it gives me confidence and I like it.

I compete in both Muay Thai and kickboxing.

I have already become the champion of the city, region and Ukraine.

My dream is to achieve even higher goals! And I hope that I will succeed.

My name is Alexa Shaurov and I am a 4x karate national champion. I love doing karate and I hope one day I can compete in the Olympics for kumite. There has been some tough times though. For example in 2019 I had been in the finals and in the last 30 seconds I got kicked in the neck. I thought I would lose but I pushed through and won 🏆. I had also fracture in my ankle and fractured both of my toes but that never stopped me. I also hope to be a judge when I grow up because I want my option heard and I love making things right. I am a brown belt in shotokan karate. I am a triplet and I have 2 brothers named Alexander and Allen. Alexander does karate too and is also a national champion. My other brother Allen

doesn't do karate. I have achieved lots of stuff but a title isn't what makes it great. It's the accomplishment of it knowing I'm a national champion. I have travelled to some places like Boston and Miami and Chicago for competitions. I love traveling and hope to travel the world one day. I am on team aplusma (a+ martial arts) in great neck Long Island. My coaches are Adham Sabry, Ashley Davis, Omar Abdelrahman, and Yousif Malfa. They are amazing coaches and are one of the main reasons I'm where I am right now.

Hi I'm jack a 9 year old karate kid from England. I am currently a 4th kyu purple belt in shotokan karate.

My karate journey started when I was 4 years old, at 7 years old I found my now sensei 5th Dan Benjamin Campbell and kaisho karate.

Up until now I have won many medals in both kata and kumite but my strengths are in kumite where I have won most of them.

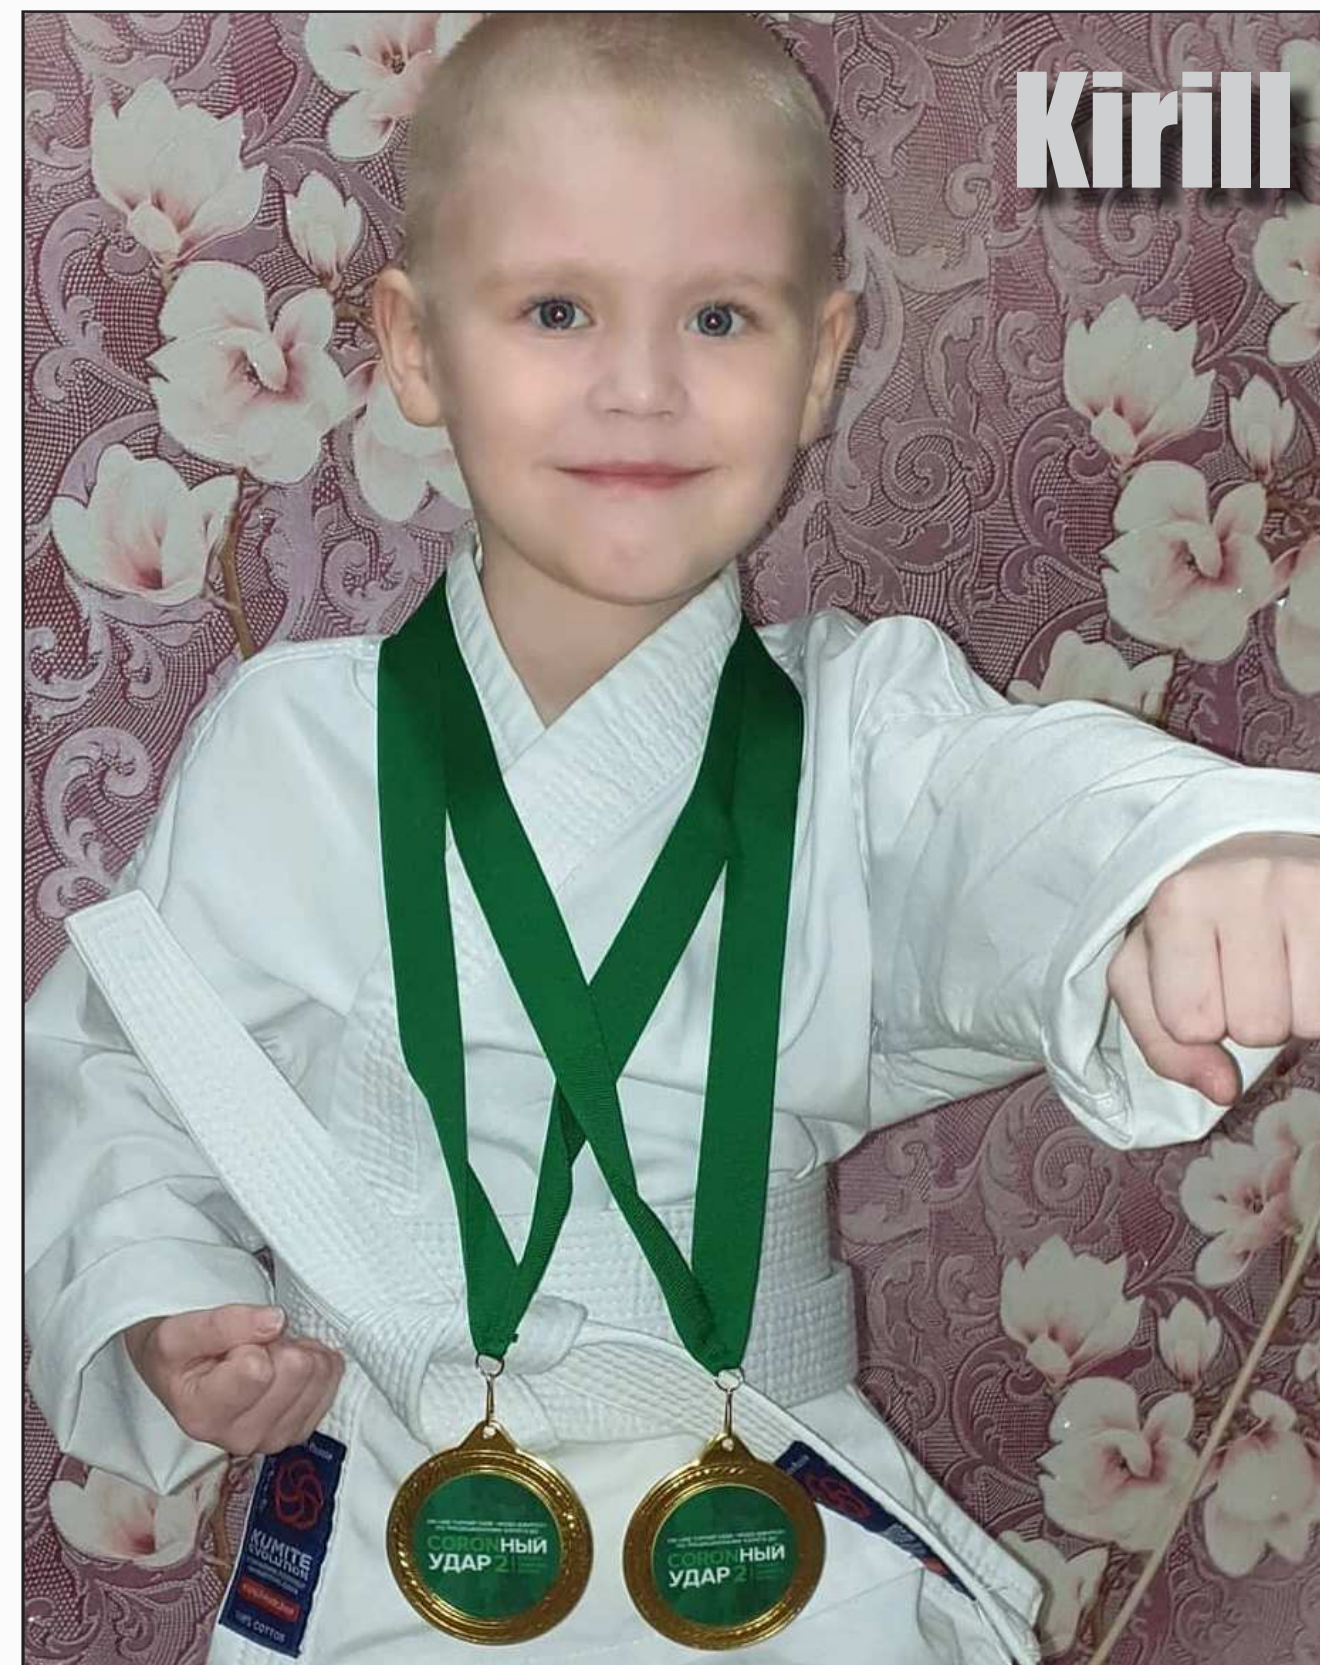

Although all of my wins mean a lot my biggest achievement was when me and my teammates travelled to Berlin Germany to compete at the banzai international open cup where I came away with a gold medal in kumite, from there I went on to finish second at the English

national championships only losing out narrowly to my close friend and teammate.

I dream of one day winning the British championships and going on to compete for England on the biggest stage Against the best athletes in the world.

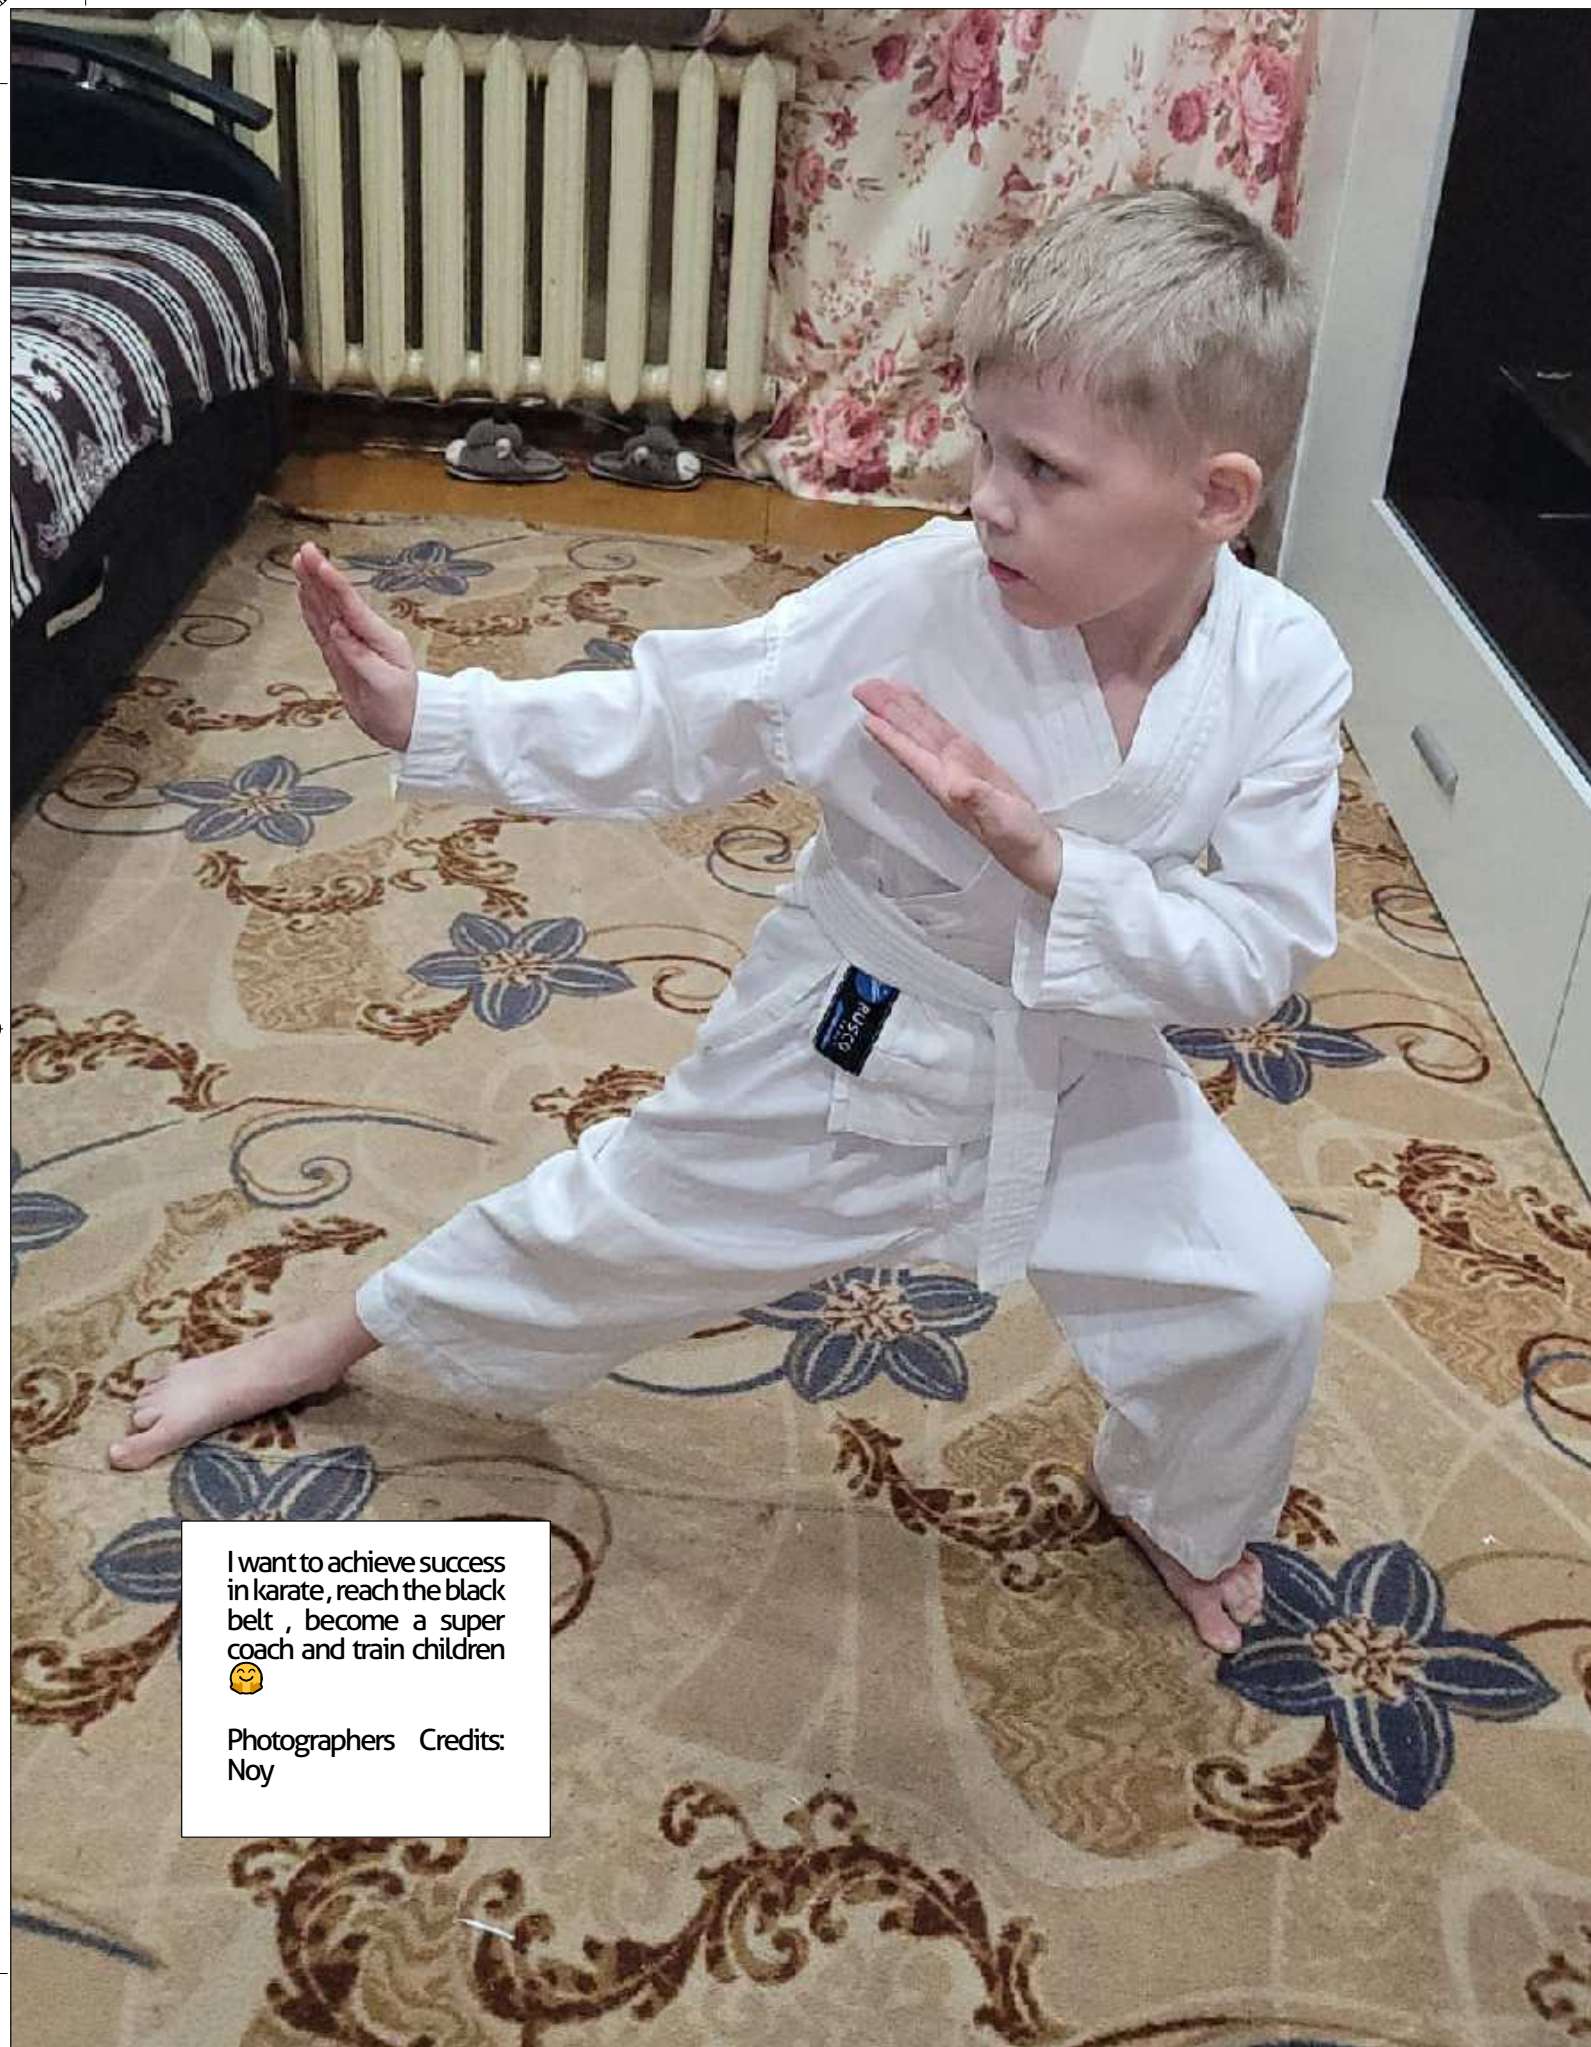

COVID 19 has been the biggest challenge in my journey so far halting my training and development, my motivation suffered but with the support and encouragement from my family and sensei the fire has once again been lit and my journey continues hopefully I can reach the heights that I want to and become one of the best athletes England has ever produced oss!!!!

**James Miller**

I want to become a great karate player and represent my country.

# James Miller

# Jesse Wyman

My name is Jesse. I have been training in the martial art of shotokan karate since I was 3 years old. My mom and instructors found out early on that I had a natural talent for it and I loved it from the beginning.

My dream would be to represent England in the olympics, at the moment we don't know whether this would be possible but, if not, I will be happy to represent England in the Europeans, Worlds or any other international comp. I have been selected to join the English Karate team so hopefully that dream isn't too far away now!

I have competed in so many competitions so far, all over the uk and in some abroad countries too, like France, Croatia, Germany and Luxembourg.

You'll see from my pic that I have won quite a few medals. With many more to come, hopefully!

I currently train with Hickman's Karate Academy, where our instructor was junior world champion so I know that the title of world champion is more than possible.
