Things I want to accomplish in my martial career is becoming a master in all phases of martial arts and preserve my family's legacy. Some of my achievements include winning all 8 Colorado state events at a young age of 11 years old (first ever). Another achievement of mine is winning the ATA world expo with a broken foot in the tournament of champions. A few of my challenges while doing martial arts is balancing my school work, home life, martial arts training, family, football, and performance training.
